We proudly dedicate this annual to the fine staff of coaches we have in our school. They have given their time freely and deserve this token of recognition. Theirs is a job which takes much patient and diligent work to produce winning teams with a sportsman-like attitude -- the latter being their prime concern. Certainly our coaches could do no better job than they have. They have instilled many of the finer human qualities in their teams. They have produced teams which can win gracefully without boasting and lose without offering an alibi. Naturally it is important to our coaches to win, but whether winning or losing, they try to teach fair play, keen rivalry but careful observance of rules, courtesy and a generous attitude toward an opponent.

We can be proud of the spirit and interest shown by our coaches, and likewise they have every right to be proud of their teams. This dedication is to say "Thanks" to them and to remind them that their greatest satisfaction will come when the players they develop mature and become "sportsman-like" American citizens.

Dear Graduates,

You have reached a turning point in your life. What to do after graduation is a problem for many of you. Some will continue their education in college, and others will find new and exciting jobs. Whatever you do the world will be just a little richer. May good fortune follow each one of you, and never forget your days at M.H.S.

Sincerely,
The Editor

1961 VARSITY BULLDOGS

The 1961 football season saw the Bulldogs lose some tough games. The toughest of all was the great Franklin game, lost by the Bulldogs in the last four minutes of play. However, once again the Bulldogs were victorious in the Booster Bowl game, by a score of 20 - 6 over Warren.

Even though the Bulldogs had a 3 - 5 record, nine Meadville players were chosen for Section II All - Star teams. They were as follows:

Paul Ball
Al Kimple
John Gaub
Tracy Palmiero
John Harvey
Jerry Walton
Jim Wilson
Bob Bailey
Ed Johnson

John Gaub, Al Kimple, Ed Johnson, Paul Ball, and Jim Wilson ended their high school careers as three - year lettermen. At the close of the season, Jerry Walton and Paul Ball were elected co-captains for the season; John Gaub was chosen Most Valuable Player, and Al Kimple the Most Sportsmanlike Player.

Other Bulldogs who contributed to the season were "Sonny" Keene, at tackle; Gary Poole, as a guard and tackle; Dick Jessup, as center; Jeff Cribbs, at tackle; Tom Whalen, as quarterback and defensive halfback; Bob Bender, at end; and Paul Donato, at fullback. Two more Bulldogs who helped the starters were Ed Hancuff and Jerry Coradi.

Basketball

This year the Meadville High School Bulldogs enjoyed the second finest season in the school's history. The Bulldogs, under the leadership of Norman Sundstrom, who has just completed his first year, ended the season with a 25-2 record including the Elk's tournament and the Play-off game.

Meadville benefited this year from the excellent foul shooting of Jerry Walton, who furnished 26 points in the Erie-Tech play-off game to help the Bulldogs advance to the Western Regional semi-finals. Bill Strickland was always prepared to carry a burden as was evidenced when Chuck Pickens was injured and Bill was called in to replace him. John Werle supplied most of the rebounding force as he could always be depended on to clear the bankboards on offense and defense.

Fred Gilberto was by far the most improved Bulldog this year and surprised many fans as well as his teammates in his strategies on the court. George Schroeder led the team in scoring during the regular season and was the key man in some of the Bulldogs' victories. Chuck Pickens was the back-court play-maker, but during the season was forced to miss several games because of an injury. Tom Graham, although just a junior, saw plenty of action as he was frequently called upon to fill in for one of the starters.

Last, but not least, Tom "Rabbit" Gray was again one of the sparkplugs for the Bulldog aggregation. "Rabbit" was undoubtedly one of the best defense players in the school's history, as was shown in the Elks Tournament, in which he was chosen the Most Valuable Player; and in the 5th Avenue game.

Foreign Students

Niesje Van Heusden, our foreign exchange student from Holland, has become the sister of Mary Kay Brest for her stay in the United States. Niesje, very popular with the students, has been honorary positions in many school clubs and has been given Honorary V-President of the Senior Class. At the Autumn Ball which was dedicated to her she was crowned Queen of the dance. She is shown attired in the costume of her Dutch homeland, including the well-known wooden shoes.

Alice Rhinesmith, a senior, visited Finland last summer with the aid of the American Field Service. This photograph shows Alice dressed in a native Finnish costume which she and her Finnish mother made. Since her return, Alice has spoken before various local groups and for several school activities.

On November 11, 1961, the annual Autumn Ball was held by the Student Council in honor of our foreign student, Niesje Van Huesden. Because Niesje's homeland is Holland we all "Tiptoeed Through the Tulips." The music was provided by the Cootie Harris Band. During the evening Niesje and her escort, Chuck Lemme, were crowned King and Queen of the dance. The work of Beverly Davison, chairman of the Foreign Student Committee, and her helpers made the ball a great success.

The Senior Class presented the "Battle of Time" on December 29, 1961. In keeping with the New Year the theme was "Auld Lang Syne." Appropriate music was played by guest Disc Jockey, Eric Johnson. During the dance Eric gave several albums away as prizes in a Twist Contest. The arrangements for the dance were directed by the Senior Activities Council. Jim Larson, president of the Senior Class, thanked all those present for making the dance a success.

Now—The time you've been waiting for becomes a time to look back on... and build on.

Suddenly, those long-seeming school years are over. What was a daily way of life has become a memory.

This is as it should be. These memories have a purpose. They are the foundation for a future.

You will have more to say about this future of yours than you ever did about the years just past. You—not a teacher or a parent—will be making the decisions. Though teach-

ers and parents can help you, still you're the responsible party.

Being the boss of your own future is a big job. No question about it. And because of this, it is also an exciting and satisfying experience.

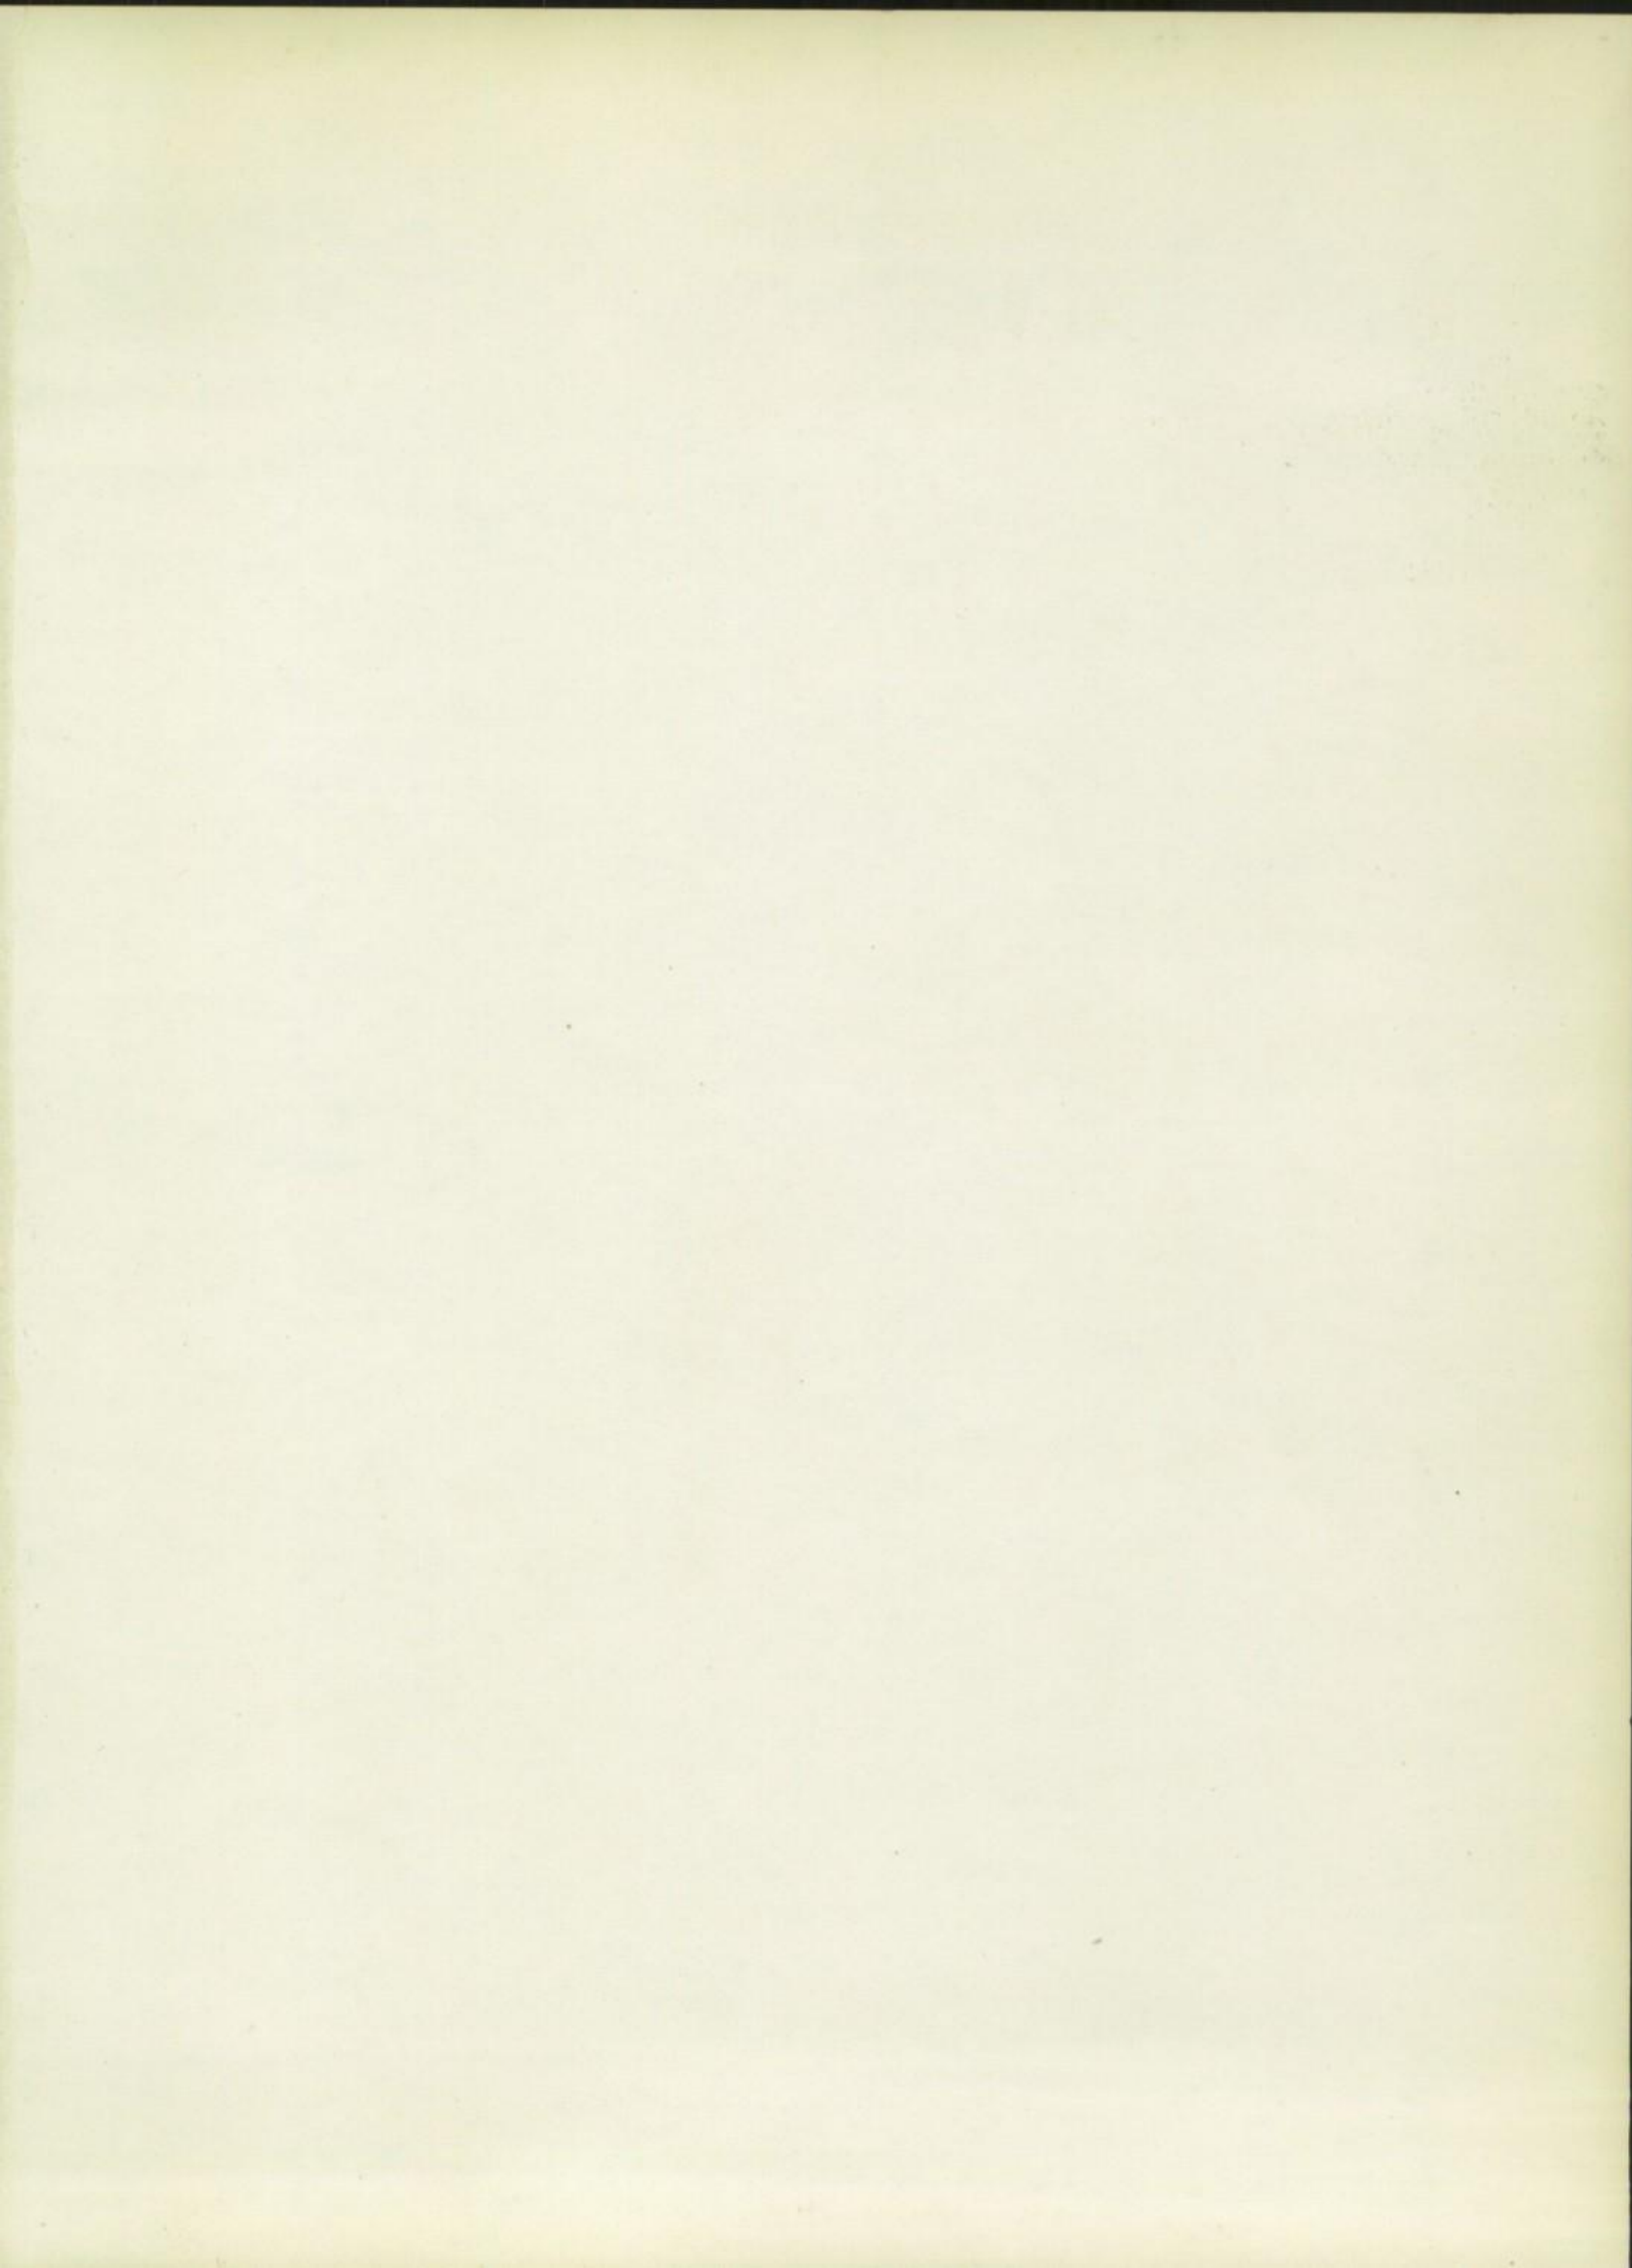

American Viscose Corporation, as a member of this community, welcomes you in your new status as a graduate. We offer you all possible encouragement, and wish you success and satisfaction.
